Volunteers Needed

The success of Reunion Weekend 2008 depends in large part on the active participation and commitment of Class Representatives. Reunions are typically promoted by a committee of class volunteers. In the past classes have found that having large, active committees not only makes reunion promotion easier, but also encourages more participation in reunion.

The staff in the Alumni Office is available throughout the reunion planning process to assist you. Their goal is to work with Class Representatives to ensure a fun and successful reunion.

To volunteer, contact the Office of Development and Alumni Relations toll free (877) 468-1436 or dentalalumni@case.edu

Reunion Gifts Benefit the School and YOU!

CLASS OF 1949

Supporting the dental school can take many forms. Returning for your class reunion is one of them. Another is making a gift to the reunion giving challenge. With the recent events revolving around the financial world, a cash gift may not be as attractive as the recently reinstated IRA distribution charitable rollover, applicable until December 31, 2009, or other planned gifts like naming the dental school as a beneficiary in your estate plans. Many planned gifts are easy to make and may lessen final estate taxes.

Though your reunion is not until May, there may be tax advantages to making your gift before the end of the calendar year. Most gifts to the school are tax deductible.

How can you make a gift in honor of your special reunion? Go green and make your gift online at <http://giving.case.edu> or call the office of Development and Alumni Relations toll free at 877-468-1436 to use a credit card. Gifts and pledges are also gratefully accepted at the School of Dental Medicine, 10900 Euclid Avenue, Cleveland, Ohio 44106-4905.
