

## RESEARCHER'S AGREEMENT

To induce the Bolton-Brush Growth Study Center (Center) to provide access to records of the Center, the undersigned Researcher:

1. Acknowledges having carefully read and understood everything stated in this packet.
2. Agrees that:
  - (a) All records of the Center (including, but not limited to radiographs, dental study models, tracings, digitized copies) and;
  - (b) All measurements and other data acquired or derived from records of the Center, are and will remain the property of the Center;
3. Agrees to use the property of the Center only in accordance with the research protocol submitted to the Director of the Center.
4. Agrees not to distribute the images electronically or in hardcopy. Researchers should make two backup copies of the data. However, such copies are solely for the Researcher's own use;
5. Agrees to return all property of the Center, including any original and backup copies maintained on any media, to the Center on demand;
